

LET THE JOURNEY
BE THE DESTINATION

Fatta in un unico pezzo, con plastica riciclata, la sedia Canova, progettata da Claus Breinholt per infiniti, si presenta come alternativa contemporanea e ecocompatibile alla classica seduta da bar. Disponibile in sette colori diversi.

Made in one piece out of recycled domestic plastic, the Canova chair designed by Claus Breinholt positions itself as a contemporary, eco-friendly answer to the classic café chair. Available in seven different colors and produced by infiniti.
